## York County Manager

**Hello, Special Olympics York County!**

**The last several months have been challenging for our community. Everyone involved in Special Olympics York County should be commended for making the most of a difficult situation. Some of the meaningful alternative activities our athletes and volunteers have engaged in include:**

- 1. Team Zoom meetings**
- 2. Check-ins with coaches and volunteers**
- 3. Give Local York 2020 (online)**
- 4. SOPA Virtual Summer Games**

**During the suspension of all in-person Special Olympics activities, your management team continues to meet virtually to discuss serving Special Olympics York County in continued growth. We've generated some exciting ideas and innovative opportunities that should be coming your way soon. Look for updates on our social media and continue to stay involved!**

**As we press forward, please remain safe and healthy.**

**Let's all keep looking ahead, working toward greater, and choosing to make Special Olympics York County the best program it can be.**

It is important for us to celebrate the impact of your volunteer service and recognize your tireless dedication to helping us build stronger and more inclusive communities for our athletes.**
